Shades of night are falling and I'm lonely
When the sun sets on the far horizon
And the parlor corner feeling blue
Sweet-hearts out for fun

Pass me one by one
Put their slippers on

Guess I'll wind up like I always do, with only
They're all set but we're still on the go, so lonely

CHORUS

Me and my shadow

strolling down the avenue

and my shadow not a soul to tell our troubles
to
And when it's twelve o'clock
we climb the stairs

we never knock
for nobody's there

just
me and my shadow
All alone and

feeling blue
