Clover Blossoms. 5-4.

A song that is musically good, "In After Years, When I Am Old."

This little song has only been out a short while, and has jumped into the front ranks of popularity. There's something about it that pleases the people. So popular is this song getting to be that music dealers call it the "mascot" of the music business. They say it brings them good luck, so surely it should bring you some to sing it. Why not try a copy? You can secure it anywhere music is sold, or you can send 25 cents in stamps or P.-O. order to **WILL ROSSITER, Music Publisher, Chicago, Ill.,** and receive a copy by return mail.
