TAKE

Take Your Time.

EXTRA VERSES BY TOM BROWN.

I.

A friend of mine dropped in one day, as I sat down to dine,
I said, "sit down and have a bite, you are a pal of mine,"
He said he wasn't hungry, but before he got through,
I had to say, "Hold on old pal, this meal wa'n't cooked for you!"

Chorus.

Take your time, not so fast, take your time you won't last,
For your appetite cert'nly is fine,
Every time your lip drops, then you grab for some chops,
Take your time, this one's mine, take your time!"

II.

I furnished up a flat on the installment plan,
To furnish paying up the bill, it seems I never can,
My wife just buys up all the junk, that happens her way,
Rugs, and clocks and pictures, if the men would only say,

Chorus.

Take your time, dear lady, take your time it's easy,
And the cheapest and best way you'll find,
For a fourteen dollar bed, you pay thirty-five instead,
Take your time, graft is fine, take your time.

III.

I had a toothache once so bad, I thought I would die,
So at the painless dentistry, I thought I'd take a try,
The doctor threw me in the chair, I started to shake,
But when he closed down on my tooth, I cried, "For goodness sake,

Chorus.

Take your time, doctor please, take your time, give me ease,
Let the blamed old tooth ache, I don't mind,
For to tell you the truth, you've my jaw, and not my tooth,
Take your time, this face is mine, take you time.

IV.

My brother Bill was slow of speech, and stammered quite bad
He got a job, at school to teach, through some good friends he had,
There came a boy, Bill didn't know, he stammered you see,
It made Bill sore, he said, "Here b-b-boy, are you making f-f-fun of m-m-me?"

Chorus.

T-t-take your time I'm no joke, t-t-take your time, silly moke,
It's the best thing to do you will find,
There's some more I would say, that I can't say to-day,
Ain't g-g-got time, never mind, t-t-take your time!

Take Your Time.

Moderato.

The musical score is written for voice and piano. It begins with a piano introduction in the key of B-flat major, marked *Moderato* and *f*. The piano part features a steady eighth-note accompaniment in the right hand and a more active bass line in the left hand. The vocal line enters in the second measure with the lyrics "I don't believe in". The tempo then changes to *Slow till voice* for the vocal entry. The piano accompaniment becomes more sparse and accompanimental. The lyrics continue: "Fa-mil-iar-i-ty", "rush-ing thro' this world at no time, I", "breeds con-tempt is what peop-le say, I", "may be some-what fool-ish but that is a rule of", "got ac-quaint-ed with a girl the day 'fore yes-ter-". The score concludes with a final piano cadence.
