# Oh! How I Love My Darling

## Extra Choruses

2  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
Her money shows down in her hose,  
That's why I love my darling,  
I needed "Ten" and went to her for a touch.  
I looked and found she didn't have quite that much  
She gave me "Four" owes me "Six" more,  
Oh-how I love my darling.

3  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
In her coupe, most every day  
I ride beside my darling,  
She goes out speeding and I can't make her stop,  
But ever since the night she knocked down a cop,  
I'm out on bail, she's still in jail,  
Oh-how I love my darling.

4  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
I light her Pa's big fat cigars,  
Then blow smoke at my darling,  
She's very heavy and she heard her friends state  
That horse back riding would reduce her weight,  
She took one ride, the poor horse died,  
Oh-how I love my darling.

5  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
When I run short, and need a quart,  
I get it from my darling  
She's very loving everytime that we meet,  
But she's so cross-eyed when she comes down the street,  
She looks at you then kisses me,  
Oh-how I love my darling.

6  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
And when she flirts, oh how it hurts,  
I'm jealous of my darling,  
If she should leave me she'd be taking a chance,  
I've no more conscience than a bull dog has pants,  
Across my lap, she'd feel a strap,  
Oh-how I love my darling.

7  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
Her excess weight is more like freight  
Boys, you should see my darling,  
She has a form and figure plump and divine,  
Looks like an engine on the B & O line,  
And when she's here I'm engineer,  
Oh-how I love my darling.

8  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
She bought a book on how to cook,  
I tried out for my darling,  
She made some biscuits which I ate for a joke,  
I fell unconscious and they thought I would croak,  
When I got cured, I got insured,  
Oh-how I love my darling.

9  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
When in her arms I felt her charms  
Boy, how I loved my darling,  
I tried to be as cool as old William Tell  
I had as much chance as a snowball in-well,  
My fever rose, turn on the hose,  
Oh-how I love my darling.

10  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
When lights are low my radio,  
Helps entertain my darling,  
The Bedtime Stories used to tickle her, so  
I told a couple but her answer was "No,"  
Right after that, I left her flat,  
Oh-how I love my darling.

11  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
She needs a street to park her feet,  
Each time I squeeze my darling,  
Her cheeks are rosy as the rouge on her lips  
And she has happiness on both of her hips,  
Each time I ask, she pulls a flask,  
Oh-how I love my darling.

12  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
The day we met I said "I'll get  
That girl to be my darling"  
'Twas love at first sight and I want to be frank  
I saw this baby coming out of a bank,  
One thousand rocks were in her socks,  
Oh-how I love my darling.

13  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
Her face is plump like Andy Gump,  
My Minnie is my darling,  
She weighs three hundred pounds and round as a plum,  
She sits upon my knees until they are numb,  
Though I am week, I'm still her sheik,  
Oh-how I love my darling.

14  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
My thoughts are nice, old shoes and rice  
Wait for me and my darling,  
We're saving up to hear those wedding bells chime,  
She's got nine hundred bucks and I've got a dime,  
She'll buy the home, I'll buy a comb,  
Oh-how I love my darling.

15  
I kiss her once, I kiss her twice  
Oh-how I love my darling,  
Her teeth are great, they're on a plate,  
I bought them for my darling,  
She went and bought for me a nice Chevrolet,  
I shove one block, she shoves the rest of the way,  
She shoves until we go down hill,  
Oh-how I shove my darling.
